Code Crackers Inauguration Report

13th February 25

Venue :MBA Auditorium

The Department of Computer Applications inaugurated Coding Club " Code Crackers " on 13th February 25 at MBA Auditorium. The event aimed to bring together students with a passion for coding and technology, providing them with a platform to enhance their skills, collaborate on projects, and participate in coding competitions.

The event commenced with a warm welcome and felicitation of Chief Guest Mr Vinay Gupte, MD, Compserve Pvt Ltd. , Dr Mahesh Gaikwad, HOD, AIML and Dr N. V. Pujari TPO, SGU.

Prof Swati Patil briefly introduce the Chief Guest. HOD Dr Chetan Arage gave details about the coding club and it's purpose.

The Chief Guest, Mr Vinay Gupta delivered an inspiring speech emphasizing the importance of coding in today's digital world and encouraged students to embrace technology and innovation.

All the Members of Club where felicitated by the Chief Guest and other dignitaries by offering an appointment letter of their post.

The Club President, Mr Damodar Zanwar introduced all the club members. He also shared their vision for the club and outlined upcoming activities and events.

A live coding demonstration was conducted by club members showcasing a simple project that highlighted the club's focus on practical learning and collaboration.

The event concluded with a vote of thanks delivered by the Prof Jyoti Chavan, expressing gratitude to the guests, faculty, and students for their participation.
