MESSAGES

Sanjay D. Ghodawat
President

Quality and world class education is the hallmark of an advanced nation. I have always felt that our country has to do a lot of catching up in this area. Sanjay Ghodawat University was born out of this yearning to contribute to the nation's education sector.

Sanjay Ghodawat University today accomodates students from all backgrounds with the vision of channeling their potential to be used for the society, nation and our world. We have gone out of our way to design a curriculum in tandem with the industrial needs, we have given a wide choice of subjects to students to encourage inter-disciplinary approach, we have a team of experienced and qualified leaders, teaching staff & support staff who go out of their way to be mentors to students and to top it all we have a plush campus replete with state of the art infrastructure that is conducive to the teaching-learning process.

I thank all the parents, students and well wishers who have put their trust in our University. We are here to partner with you to bring about a synergistic outcome which will be that of empowered youths and an empowered nation.

Vice-Chancellor

Sanjay Ghodawat University (SGU), Kolhapur is one of the progressive universities in South-West India, in the vicinity of three states. The university has been established as a State Private University & part of Sanjay Ghodawat Group, a strategically well-diversified Group with a global presence in diverse sectors. The academic programs of SGU are innovative, unique & designed to secure a successful professional career within India and globally.

All our programs offer a number of work placement and internship opportunities to ensure our graduates are fully equipped with adequate skills and capable of starting work immediately or entering the entrepreneurial world with confidence. We do this through innovative academic deliveries such as project and design-based learning, strong industry engagement and outstanding positive student experience.
All our decisions at the Management level are taken with keeping the students' overall well being and development in mind. Education's highest aim is character development and that is what all the curricular, co-curricular & extra - curricular activities are aligned to do at SGU. We welcome you to your better future at the Sanjay Ghodawat University.

GLOBAL LEARNING THROUGH SGU–INTI ACADEMIC COLLABORATION

- **One-semester study opportunity at INTI University, Malaysia.**
- **Approved courses &/or major project aligned with the student's academic program**
- **Credit transfer and conversion as per SGU regulations.**
- **Exposure to international academics, culture, and global best practices.**

Sanjay Ghodawat University (SGU) is committed to global learning, international collaboration, and enhancing student employability. As part of this vision, SGU offers the Semester Exchange Program (SEP) in collaboration with INTI University, Malaysia

Through this program, students gain meaningful international academic exposure by studying abroad for one semester at a reputed partner university. During the exchange, students undertake approved coursework or a major project aligned with their degree program.

Credits earned at the host university are transferred to SGU through an approved credit-transfer process and counted toward degree requirements. After completing the semester abroad, students return to SGU to continue their studies and graduate with a valuable global learning experience.
